NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS  
AND PAYMENT OF DEFICIENCY OWED

Sir:

Pursuant to MPEP §509.03 and 37 C.F.R. §1.27(g)(2), QUALCOMM Incorporated, a large entity, informs the Patent Office that it has acquired by assignment dated 07/30/2004 the entire right, title, and interest in and to this application and the invention that is the subject thereof. Therefore this application no longer qualifies for small entity status. QUALCOMM Incorporated requests the Patent Office to treat this paper as the specific written assertion of the notification of loss of entitlement to small entity status as set forth in MPEP §509.03 (VII). Accordingly, the assignee will be paying large entity fees from this point forward.

In addition, the assignee supplements this notification pursuant to 37 C.F.R. §1.28(c) by submitting herewith an additional fee amount of \$740.00 for the deficiency of payments erroneously paid under the small entity fee schedule, itemized on the following page.
